REALOREGON

Resource Education & Agricultural Leadership Program

To represent the diversity of Oregon's natural resource community, REAL-Oregon will take place at five different locations across the state. The program will begin in November and conclude in March the following year, with the leadership class meeting one time per month. Participation at each location is mandatory for graduation. Locations, and corresponding months, are as follows:

- **Burns** — **November 14-16, 2017**
- **Astoria or Newport** — **December 12-14, 2017**
- **Medford** — **January 9-11, 2018**
- **Salem** — **February 6-8, 2018**
- **Boardman** — **March 6-8, 2018**

- Each meeting will last approximately 2.5 days with participants arriving onsite Tuesday early afternoon. The leadership class will be released Thursday mid-afternoon.

- Each meeting will also include a "local focus." The purpose of the local focus is to gain a better understanding of the local natural resource sector, interact with local government and highlight a local natural resource concern.

- Individual prepared speeches will also be delivered during sessions two through five.

- Each class will have a "give back" component to the program. The inaugural program will develop the graduation program celebration in Session Five.

- Cost to participate in the Program is $2,500.00 per person.
