REALOREGON

Resource Education & Agricultural Leadership Program

To represent the diversity of Oregon's natural resource community, REAL-Oregon will take place at five different locations across the state. The program will begin in November and conclude in March the following year, with the leadership class meeting one time per month. Participation at each location is mandatory for graduation. Locations, and corresponding months, are as follows:

- **Ontario** — **November 5-8, 2018** (3 nights)
- **Roseburg** — **December 11-13, 2018**
- **Newport** — **January 15-17, 2019**
- **Boardman** — **February 12-14, 2019**
- **Salem** — **March 11-14, 2019** (3 nights)

- Each meeting will last approximately 2.5 days with participants arriving onsite late Monday or early on Tuesday. The leadership class will be released Thursday mid-afternoon. REAL Oregon will cover three nights lodging (based on double occupancy) for the November and March sessions and two nights lodging for the others sessions.

- Each meeting will include a "local focus." The purpose of the local focus is to gain a better understanding of the local natural resource sector, interact with local government and highlight a local natural resource concern.

- Individual prepared speeches will be delivered between sessions four and five.

- Each class will be asked to complete a "give back" component to the program.

General Curriculum for All Five Sessions
