

REAL OREGON

Resource Education & Agricultural Leadership Program

Class 3 Recruitment
Spring 2019

Greetings!

The Resource Education and Agricultural Leadership Program for Oregon (REAL Oregon) is currently receiving applications to take part in Class 3! This personal and professional development program for agricultural and natural resource leaders is looking forward to bringing another cohort together to enjoy a dynamic curriculum delivered in five different locations across our diverse state. Class 3 will take place on the following dates at these locations:

Session	Location	Dates	
1	Klamath Falls	Nov 4-7	3 nights
2	Roseburg	Dec 10-12	2 nights
3	Newport	Jan 14-16	2 nights
4	Salem	Feb 10-13	3 nights
5	Boardman	Mar 17-19	2 nights

When we look to the forests, fisheries, farmlands, and ranches of Oregon, there exists great strength in our diversity. This program strives to help bring these groups, along with others in related fields, together to provide a wide-ranging curriculum that touches on topics such as our s ~~urban/rural~~ divide, farm succession planning, understanding forestry, agricultural issues, working with the media, dressing for success, conflict resolution, public speaking and much more! While the program is not intended to be a political forum, natural resource policies and issues are a central focus of most sessions.

The successful applicant will be part of a group willing to learn and experience new things. As an example, tours may include an active timber operations, onion or potato packing sheds, seafood processing plants, etc. Some tours may not necessarily have a direct connection to natural resources but offer other unique leadership experiences.

We invite you to apply now and consider taking part in REAL Oregon. The application deadline is July 25, 2019, though we recommend not waiting until the last minute if possible. If you have questions, you can contact us through www.realoregon.net or call 541-892-1409 (Greg).

We look forward to seeing your application!
