

REAL OREGON

Resource Education & Agricultural Leadership Program

To represent the diversity of Oregon's natural resource community, REAL-Oregon will take place at five different locations across the state. The program will begin in November and conclude in March the following year, with the cohort meeting one time per month. Participation at each location is mandatory for graduation. Locations, and corresponding months, are as follows:

- **Klamath Falls** **November 2-5, 2020** (3 nights)
- **Roseburg** **December 8-10, 2020**
- **Newport** **January 12-14, 2021**
- **Boardman** **February 9-11, 2021**
- **Salem** **March 15-18, 2021** (3 nights)

Because weather can be a factor, we are asking applicants to also hold dates in April for a make up session, if needed. Those dates are:

- **April 13 – 15, 2021**
- Each meeting will last approximately 2.5-3 days with participants arriving onsite late Monday or early on Tuesday. The class will be released Thursday early afternoon. REAL Oregon sponsors will cover three nights lodging (based on double occupancy) for the November and March sessions and two nights lodging for the other sessions.
- Each meeting will include a “local focus.” The purpose of the local focus is to gain a better understanding of the local natural resource sector, interact with local government and/or highlight a local natural resource concern.
- Individual prepared speeches will be delivered at either session four or five.

General Curriculum for All Five Sessions
